

## CCN Communications Environmental Policy

1. CCN Communications are committed to ensuring its work activities are conducted in such a manner that results in no adverse impacts to the environment.
2. This statement is a declaration of the Directors' commitment to the protection of the environment.
3. The Directors' considers effective management of aspects and impacts relating to the environment to be an integral component within the business. And will ensure that any impacts on the environment are considered thought out all activities undertaken.
4. All personnel associated with or undertaking activities for CCN Communications are to support the commitment to protect the environment, including the prevention of pollution.
5. This policy, which will be made available to all interested parties, will be implemented by adopting the following principles:
  - a. Compliance with relevant environmental legislative.
  - b. Establish environmental objectives and monitor performance.
  - c. Continual improvement of environmental performance.
6. The Directors' are responsible for the management of aspects and impacts relating to the environment and the implementation of this policy, and will ensure appropriate resources are provided.
